A man and a woman, both wearing blue polo shirts, stand in a well-stocked farm shop. The woman is on the left, wearing glasses and smiling. The man is on the right, also smiling. They are surrounded by various products including breads in wicker baskets, fresh produce like green apples and pears, and shelves of bottled beverages and packaged goods. Chalkboard signs in the background list items like 'Mushy Sweet Potatoes', 'Oranges', 'Butternut', 'Bananas', and 'Safflower'.

The image and added character it has given our Farm Shop is just what we were looking for. It was really important to us that we not only had a great product but we also had great service as well.
