Illumination

Easy to Install

- Sit the Barlite in the cut out section of the brackets, with the tube/lamp facing towards the back.
- Plug male and female connectors together if using more than one light.
- Plug 13 amp plug into mains socket.
- Switch on and see the difference that illumination makes.
- Complies with relevant BS and EN approvals and regulations.
- Illuminate upto 13 bays from one 13 amp socket.
- Includes cable management system.
